Compound 2

Key Stamper

Compound 2

The Silca Compound 2 manual key stamper accommodates large and standard head keys as well as key tags.

Compound 2 features an easily adjustable mounting plate to allow for several rows of character stamping, and adjust to securely hold the item in place.

- Accommodates standard, large and neuter bow keys as well as key tags
- Stamps a variety of finishes; brass, nickel plate, nickel silver and more
- Built in detents assure proper registration and accurate spacing between characters.
- Rotating dial features English alpha-numeric characters A-Z, 0-9 and / - , . marks
- Character measurement .08" x .12" (2 mm x3 mm)
- Number of characters and rows is dependent on space available for stamping.
- Screw knob on top of key table secures key or key tag
- Screw knob on the left locks the key table into position
- Operates by striking with the hand or a mallet*
- Constructed of heavy steel

* Mallet not included

Stamps a variety of key styles and finishes

Rotate the character dial into position by loosening or tightening the turn knob

Compact and portable design
