Duo Plus

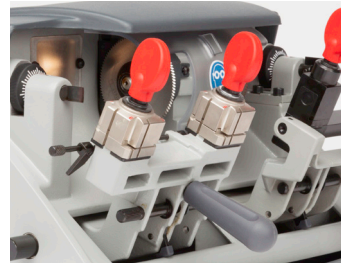

Mechanical Key Cutting Machine

Duo Plus

Duo Plus is a multi-function, manually operated machine that duplicates edge cut keys as well as bit, double bit, Abus® and Abloy® style keys.

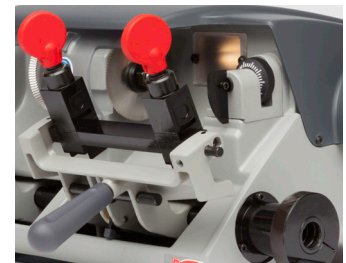

- Tilting mechanism ensures excellent flares on bit and double bit keys
- Innovative release system enables free-moving or regulated carriage movement
- Two/three-sided rotating clamp (right side) secures bit, double bit as well as Abus® and Abloy® style keys
- Four-sided rotating clamp (left side) secures edge cut style cylinder, vehicle and cruciform style keys
- Features tracer point adjustment rings for fast, precise calibration
- Cut-out switch that triggers automatically should power fail
- Safety shield features a built-in accessory tray and extends over the top of the nylon deburring brush
- LED Lighting illuminates work area
- Large Swarf Tray

Four-sided revolving clamps on the left side for edge cut style

Two/three sided revolving clamps on the right for Abus® and Abloy® type keys
